Overview & Budget Strategy

Following the successful live release of **Phase 1** (21 society policies, legal framework, 4-tier membership structure, and verified member directory), this quotation provides two pragmatic, budget-conscious options in **Australian Dollars (AUD)** to launch Phase 2 efficiently.

To align with ISEA's immediate operational goals and cash flow, you can choose between an **Essential Launch Package** (getting membership intake and card dues processing live right away) or the **Full Institutional Platform**.
